PATENT ASSIGNMENT AGREEMENT

THIS PATENT ASSIGNMENT AGREEMENT, dated February 11, 2004, by and between DAYDOTS Holdings, Inc., a Texas corporation ("Assignor"), and Ecolab Inc., a Delaware corporation ("Assignee").

RECITALS

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated the date hereof (the "APA"), providing for the purchase of substantially all of the assets used in the business of DAYDOTS International, L.P., a Texas limited partnership and subsidiary of Assignor ("Daydots L.P.").

WHEREAS, Assignor holds various patents and patent applications used in the business of Daydots L.P.

NOW, THEREFORE, In consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Assignor and Assignee hereby agree as follows:

1. Capitalized Terms. Capitalized terms used but not defined herein shall have the meanings specified in the APA.

2. Assignment of Patents. Effective as of the Effective Time, Assignor hereby assigns and delivers to Assignee all of Assignor's right, title and interest in and to all of the patents, patent applications (including reissues, divisions, continuations-in-part, and extensions), inventions and discoveries that may be patentable and improvements thereto listed on the attached Exhibit A, free and clear of any Encumbrances. Assignee hereby accepts the assignment of such patents.

3. Terms of the APA. In the event of any conflict or inconsistency between the terms of the APA and the terms hereof, the terms of the APA shall govern.

4. Further Assurances. Without limiting the generality of Section 5.9 of the APA, each of the parties hereto shall, from time to time, at the request of the other party and at such other party's cost and expense, execute and deliver such other instruments of conveyance and transfer and do such further acts and things as may be reasonably required for the purpose of carrying out the provisions of this Patent Assignment Agreement.

5. Counterparts. This Patent Assignment Agreement may be executed simultaneously in one or more counterparts (including by facsimile), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made this 16th day of August, 2001 by J. Michael Milliron and Andrew Milliron (hereinafter referred to as Assignors), both residing at Daydots International, Inc., 1801 Riverbend West Drive, Fort Worth, Texas 76118;

WHEREAS, Assignors have invented certain new and useful improvements in **PROCESS FOR MAKING LABELS HAVING NON-ADHESIVE PORTION**, set forth in a Patent application for Letters Patent of the United States, filed herewith; and

WHEREAS, Daydots International, Inc., a corporation organized under and pursuant to the laws of Texas having its principal place of business at 1801 Riverbend West Drive; Fort Worth, Texas 76118 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

25063224.1

1

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

25063214.1

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
